Sir,

Subject: FUNDS - Elementary Education Account-
South Kanara District Board -Advance
grant -sanction of -Requested.

I have to bring to the kind notice of the Government that whereas Rs.1,26,200/- will be required by the District Board to disburse salaries to Elementary School teachers every month, the Elementary Education funds will have about only Rs.90,854/- as balance on 1-12-54.

2) The monthly subsidies and the Education Cess which together amount to Rs.78,454/- are generally credited to the Elementary Education Funds by the fifteenth of the month. Thus the Dt.Board will be able to pay the salaries to all teachers only after the fifteenth of the month in December 1954.

3) But the position will be worse in January 1955, when it will not be possible to pay the salaries even after the fifteenth. The Government subsidies in January are received late, and even then the Dt.Board will not be able to pay all the teachers. Further the District Board has to meet other expenditure for the supply of equipment to old and new schools opened under G.O.No.750 and G.O.No.1500 to relieve unemployment among the educated.

4) In this connection, I would like to bring to the notice of the Government that non-disbursement of salaries under similar circumstances caused much dissatisfaction among the teachers, which was brought to the notice of Government by members of the Legislature. On a representation made by this Board, Government were pleased to grant an advance of Rs.1,00,000 as per G.O. Ms.111 dated 5-2-54 and Rs.1,00,000/- in G.O.No.244 Edn., dated 9-3-54 during 1953-54.

5) I, therefore, request the Government may be pleased to sanction an advance grant of Rs.2,00000/- immediately and thus enable the Dt.Bd. to pay the salaries of teachers of Elementary Schools in time.

Dear Sri Shetty,

I enclose herewith a copy of my letter addressed to the Government for sanctioning an advance grant of Rs.2 lakhs towards the Elementary Education Funds of the District Board to enable the Board to disburse the salaries of Elementary School Teachers in January 1955 and subsequent months. I need hardly write to you how delay in paying the salaries will cause much hardship and consequent dissatisfaction. I would very much like to avoid it especially so soon after the constitution of the new Board. I understand Government sanctioned such an advance last year and the Dt.Board was able to pay the salaries regularly till June 1954. May I therefore request you to kindly help the Board in getting the advance grant sanctioned ?

With regards,

Yours sincerely,

Hon'ble Sri A.B.Shetty,
Minister for Public Health,
Govt.of Madras, MADRAS.

29-11-54.

The President, Dt.Bd, South Kanara requests sanction for an advance grant of Rs. 2 lakhs immediately to enable the Dt.Board to pay the salar of teachers in Elementary schools, in time. The Govt. have already sanctioned an advance subsidy of Rs. 3,50,000 ~~xxxxxxx~~ to the District Board, South Kanara towards its expenditure on payment D.A. to teachers during the current year against an estimated expenditure of Rs. 6,44,100. As per G.O.MS.381 Edn. dated 3-4-54, the Elementary Edn.Fund Account of the District Board for the year 1954-55 is expected to close with a deficit of Rs. 1,02,266. This expenditure has been worked out after taking ~~into~~ a ~~xxxxxxx~~ credit for Rs. 5,00,000 which was under sanctioned anticipated ~~and subsidy~~ towards payment of D.A. during 1954-55. As a subsidy of Rs. 3,50,000 only has been sanctioned to the Dt.Bd. during the current year, a further advance subsidy of Rs. 1,50,000 may be sanctioned to the District Board to meet its expenditure towards D.A. to teachers during the current year.

The General Account of the District Board for 1954-55 is expected to close with a deficit of Rs.102230/-. This deficit will increase on account of the expenditure incurred

on recent Dt.Bd.Elections. The question of sanctioning a D.A. grant towards the estimated deficit in 1954-55 will be considered when the R.E. for 1954-55 is received and examined. The Dt.Bd. is therefore not in a position to ~~maintain~~ make any additional contribution ~~without taking into account of~~ towards the deficit in the Ele. Education Account.

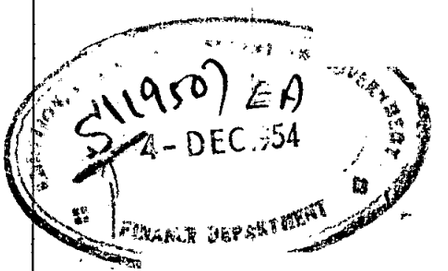
The notes from page 1 above may be perused.

2/ The anticipated deficit in the E.E. Account during 1954-55 is Rs.6,02,266 as against the estimated expenditure of Rs.5,44,100 on payment of dearness allowance from the E.E. Funds for the current year. As the estimated expenditure is lesser than the anticipated deficit, only 2/3 of the estimated expenditure can be sanctioned as advance subsidy towards dearness allce. This works out to Rs.3,62,733. A subsidy of Rs.3,50,000 has already been sanctioned. Therefore, the Dt. is eligible for an advance subsidy of Rs.12,733 only



This department may advise that the advance subsidy to be paid/may be restricted to Rs.12,700.
